## **Price giving ceremony for time trial, directly on site of arrival at Alp Gumm**

There will be local Saanegutsch beer and the local speciality “shaved aged cheese” (from the very alp). A cool cow statue by artist David Aigroz made from driftwood of the local river Saane will be raffled amongst all finishers (need to be on spot during raffle).

## **Park Gstaad Sprint, Saturday at 16:15 h**

The sprint to Grand Hotel Park Gstaad will take place on Saturday at 16:15 from the pedestrian area of Gstaad (Promenade 59, 3780 Gstaad).

There will be a group start EXACTLY at 16:15. Please make sure you will be lined up in time behind the lead-car!

The route of the sprint measures only about 2km. It leads through the complete pedestrian area, there is a first ramp up to Park Gstaad and a second ramp after Park Gstaad to finish in a short loop downhill to arrive at the hotel from top.

The road will be closed to traffic during the sprint. BUT STILL THIS IS NOT A RACE! There will be no winner nor loser, participating is everything. Please remember this! We don't want stupid accidents due to exaggerated ambitions!

## **Welcome Cocktail at Grand Hotel Park Gstaad, Saturday 16:30 h to 17:30 h**

The welcome drink is open to all participants. But you will need your wristband that is distributed with your starter package. No wristband, no access.

Tickets for companions can be bought online here

## **Starting times on Sunday**

Please check the official programme on the website for various start times. Here:

## **Helmet**

Bicycle helmets have been launched about 25 years ago (with exception of the old leather racing helmets). So modern bicycle helmets are not “Vintage” and disturb the appropriate styling.

SWISS VINTAGE CYCLING FESTIVAL  
GSTAAD 26-28 AUGUST 2022

On the other hand there is no doubt that riding with a helmet offers more security.

Participants can freely decide if they concentrate more on style or more on security.

Therefore a bicycle helmet is neither mandatory nor forbidden.

## Parking

No dedicated parking is foreseen for participants of BERGKÖNIG. Every participant is self responsible for proper parking of his car in a public parking lot. Please inform yourself BEFORE the event about parking lots in Gstaad. There are enough payable parking lots. Closest to event village at Rütli Schoolhouse are «Eggl» and «Wispile».

## Signage of parcours

On every street junction along the parcours there will be signs where to go to (signs are 20x20cm – left – right – straight).

**ATTENTION:** Signage is clear ... but not intended for racing speeds. You will have to watch, we are not the Tour de France. Signals show an arrow and the Road Bike Summit Logo.

## No danger warnings

On the various parcours you will find dangerous situations all over, like gravel sections, potholes, dirt, roadworks and so on. Some of these are even unexpectedly behind corners, in dark wood sections, fast descends or similar. NONE OF THESE DANGERS WILL BE MARKED!!! It is in the responsibility of every single participant to adapt speed and preview and master dangerous situations.

## Catering areas

Access to catering areas along the circuits and in the event village is only possible with your wristband AND your starting number.

## Passage controls / Memorial present

Long the big BERGKÖNIG circuit there are 6 passage controls, on the Pedaleur de Charme circuit 1 per loop. The passage stamps are self service, they are signed by flags and are marked in your roadbook. Stamps need to be placed in the appropriate block fields of your roadbook.

**ATTENTION:** we still have boxes full of memorial medals of the last years that have not been collected. Since it is the last BERGKÖNIG Gstaad and we want avoid to throw these away, we will distribute old medals with a simple 2022-sticker.

## **Traffic law / decency and respect**

Please remember during the complete event that roads are NOT closed and that you need to respect traffic law at all times. Please treat other road users always with decency and respect. Some of the paths we are using are official hiking trails or are otherwise frequently used by pedestrians; please allow priority to pedestrians if needed.

**ATTENTION:** Rude behaviour is not in the spirit of BERGKÖNIG.

## **Clothing**

Appropriate clothing that fits the style of your bicycle is an integral part of the event regulations. If you are unsure what to wear, please check our website: <https://www.bergkoenig.cc/dress-code.html>
